Referee Comments:

1. The results section should be more detailed
2. The presentation could be strengthened by integrating visual aids, such as graphs or charts, to better illustrate the findings.
3. The **text labels in all the figures** used in the paper **are unclear**. Authors must develop original **image/figures** with **high resolution** for proper rendering of the final published paper and should not distort on zooming. The text labels in the images must be clearly visible.
4. The **figures and tables should be numbered consecutive to each-other** and independent of the sections. (Example: Fig.1 \_\_\_\_\_, Fig.2 \_\_\_\_\_, Fig.3 \_\_\_\_\_ etc., Table 1 \_\_\_\_\_, Table 2 \_\_\_\_\_, Table 3 \_\_\_\_\_ etc.)
5. **All the listed references must be properly cited in the body of the paper** using **the numbered format of IJCA**. E.g. [1], [2], [3] etc.
6. **The research paper should be written in perspective of third person**. Words such as **'I' 'we' 'our' etc.** needs to be avoided.
7. The paper does not comply with the IJCA paper template. The **presentation** of the paper needs improvement. Different **fonts** and sizes are used throughout the paper. The **headings and sub-headings** are not numbered according to the template.Use IJCA paper template for final paper.

Final Checklist for authors:

- Perform Spell and grammar check.
- No word breaks at the end of lines.
- References appear consecutively in the paper.
